International Health Dialogue 2026

Convergence of two eminent international conferences – IPSC (International Patient Safety Conference) & THIT (Transforming Healthcare with IT)

Step into the spotlight and connect with the world's most influential voices in healthcare at International Health Dialogue 2026; the premier global platform for health leaders, policymakers, innovators, and changemakers.

Whether you're launching a new initiative, showcasing cutting-edge solutions, or looking to build meaningful relationships with top-tier stakeholders, our curated partnership opportunities are designed to elevate your brand and align it with thought leadership, innovation, and real-world impact.

Why Partner with IHD - THIT 2026?

This would be your chance to engage with over 5,000 delegates, and interact with 300+ speakers from 30+ countries. Position your brand at the forefront of healthcare transformation. Connect with decision-makers, researchers, and top-notch tech enablers shaping the future of healthcare.

Now in its 13th edition, IHD - THIT is more than a conference. It's a movement. Together, we'll explore how emerging technologies, and solutions are revolutionizing healthcare technology, patient safety, healthcare quality, and system-wide improvements. Expect powerful conversations, collaborative research opportunities, and a vibrant exchange of ideas that drive progress.

Global Voices. One Vision. Join us as we reimagine healthcare for a better tomorrow.

About the Event – THIT

THIT is India's one of premier international conferences that gathers most brilliant minds in healthcare and technology in India and beyond.

This convention brings together innovators, policymakers, doctors, and eminent industry experts to explore and exchange ideas on "technologies transforming modern healthcare system". With an expected reach of 3000+ delegates, this event will create an impactful collaboration, networking, and innovation showcase opportunities.

With its innovative displays, interactive workshops, curated exhibitions, networking opportunities, and insightful seminars, THIT 2026 aims to emphasize the convergence of technology and healthcare.
